Authorization for Payroll Deduction

I hereby voluntarily authorize and request that the North East ISD deduct and remit my monthly dues amount to North East-AFT from my paycheck. Deductions will be monthly except for employees who are paid on a ten-month basis and will be deducted over ten months. Dues will be continuing on an annual basis with adjustments made for dues increases unless I request in writing for you to stop. Dues are effective based on payroll deadlines. I acknowledge that receipt of this payroll deduction authorization by the NEISD Payroll Office will automatically cancel any existing employee payroll dues deduction authorizations that I have previously submitted.
